EXPERIENCE

Junior web developer

Silton Tradewell Inc. | Jun 2021 - Oct 2021

I worked in a small team that developed information boards all over Finland. I used ionic and angular at my work and also some python. I also got to work with the customers.

Research analyst

THL | Jan 2016 - May 2021

Analyzing drugs and medicine from post mortem samples using GC-MS and LC-MS/MS techniques. Also CPR and other biochemical analyses were something I did frequently.

EDUCATION

Laurea University of Applied Sciences

Bachelor's Degree Programme in Business Information Technology | 2019-2022
